

THE LEADER OF OZ

Travel with Dora T. Gail on an enchanting journey along the yellow brick road. Discover the 101 secrets of marvelous leadership that make the difference between a complacent and conflicted workplace and one that embodies inspiration and empowerment.

Along this journey, challenge your brain, heart and nerve to gain wisdom as you create your own new Land of OZ.

BRAIN - Gain credibility and strength through clear planning and problem solving, effectively utilizing resources and navigating obstacles.

HEART - Lead the walk of mutual trust that aligns with the organization's core values and recognize others' authentic efforts that transcend self-interest.

NERVE - Influence great transformations by demonstrating physical, intellectual and emotional strength.

WISDOM - Develop the capacity to bring your brain, heart, and nerve together in total synergy.

The 101 secrets revealed will enable you to emerge as a marvelous leader.

Ali and Kevin are Senior Partners at Magna Leadership Solutions LLC.
